Abstract

India's vision of *Viksit Bharat 2047* represents a transformative roadmap to become a fully developed nation by its centenary of independence. This paper explores the economic, social, technological, and environmental pathways toward this goal, emphasizing the theme of *One Nation, One Destiny*. It highlights India's progress, persistent challenges, and strategies for inclusive growth, sustainability, and global leadership.

Keywords: viksit bharat, nation, destiny

Introduction

India, with its rich cultural heritage and dynamic democracy, stands at the threshold of a transformative journey. The vision of *Viksit Bharat 2047*—a developed India by the centenary of independence—embodies the collective aspiration of the nation. Guided by the principle of “*One Nation, One Destiny*”, this mission seeks to unify diverse communities under a shared goal of prosperity, inclusivity, and innovation. It emphasizes economic growth, social equity, technological advancement, environmental sustainability, and global leadership, ensuring that every citizen contributes to and benefits from India's progress. This vision is not merely about development in material terms, but about building a nation that is self-reliant, resilient, and compassionate.

- India at 100 years of independence (2047) aims to be a developed nation.
- The vision emphasizes:
 - Economic prosperity
 - Social equity
 - Environmental sustainability
 - Technological innovation
 - Good governance
- The motto *One Nation, One Destiny* underscores unity in diversity and collective progress.

Historical Context

- **Post-independence milestones:**
 - Green Revolution (1960s–70s) – food security
 - Economic liberalization (1991) – global integration
 - Digital India & Startup ecosystem (2014 onwards) – technological leap
- Persistent challenges: poverty, inequality, infrastructure gaps, climate vulnerability.

Key Pillars of Viksit Bharat 2047

1. Economic Growth

- Target: \$30 trillion economy by 2047.
- Focus on manufacturing, services, and agriculture modernization.
- Strengthening MSMEs and global trade partnerships.

2. Social Equity

- Universal access to education and healthcare.
- Bridging rural-urban divides.
- Empowering women and marginalized communities.

3. Technological Advancement

- AI, robotics, quantum computing, and biotechnology.
- Expanding digital infrastructure and innovation hubs.
- Promoting indigenous R&D.

4. Environmental Sustainability

- Net-zero carbon emissions by 2070.
- Renewable energy expansion (solar, wind, hydrogen).
- Sustainable urbanization and smart cities.

5. Governance & Global Leadership

- Transparent, accountable institutions.
- Strengthening democratic values.
- Active role in global forums (UN, G20, BRICS).

Challenges Ahead

- Population pressure and urbanization.
- Climate change and resource scarcity.
- Balancing growth with equity.

- Global geopolitical uncertainties.

Policy Recommendations

- Invest in human capital (education, skills).
- Strengthen infrastructure (transport, energy, digital).
- Promote innovation-driven economy.
- Ensure inclusive policies for marginalized groups.
- Enhance India's role in global governance.

Conclusion

Viksit Bharat 2047 embodies the aspiration of *One Nation, One Destiny*. By leveraging its demographic dividend, technological potential, and democratic ethos, India can achieve sustainable and inclusive development, becoming a global leader by 2047. The journey towards *Viksit Bharat 2047* is both a challenge and an opportunity. By embracing the spirit of “*One Nation, One Destiny*”, India can harness its demographic dividend, cultural strength, and democratic values to emerge as a global leader. The vision calls for unity in diversity, innovation in action, and responsibility towards future generations. If pursued with determination and collective effort, this mission will transform India into a nation that is not only economically strong but also socially just, environmentally conscious, and spiritually enriched. Thus, *Viksit Bharat 2047* is more than a dream—it is a destiny that every Indian must strive to fulfil.
